

A serene winter night scene featuring a two-story wooden cabin with a snow-covered roof. The cabin is warmly lit from within, with light spilling out from the windows and a balcony. A small, decorated Christmas tree stands in the snow in front of the cabin. The background shows snow-capped mountains under a dark, starry sky. The overall atmosphere is peaceful and festive.

Wir wünschen Ihnen eine gemütliche Adventszeit,
ein wunderschönes Weihnachtsfest und
ein gesundes, glückliches neues Jahr.
